

2019 Jr Rookie Playoffs

Playoff rules

Home and away is decided via coin toss.

With the exception of the final game, games end 1 hour 15 minute mark, and the team leading at the last completed inning wins.

Games that are tied at the end of the game may play extra innings, time permitting. If time does not permit, the team leading at the last completed inning wins.

If a game needs to be decided by going back to the last completed inning and at that inning the game was tied, continue back to the last completed inning where a team was winning.

If continuing back to the last completed inning where a team was winning does not produce a winner, the umpire will conduct a coin toss.
